FOR IMMEDIATE RELEASE:

February 24, 2014

Town of Rockland awarded \$750,000 to upgrade Livingston Manor sewer plant

Livingston Manor, N.Y. – Supervisor Edward Weitmann today announced that the U.S. Department of Agriculture, Rural Development office approved a \$750,000 grant toward the cost of necessary improvements to the Livingston Manor sewer plant. The town is extremely pleased with this grant award and we look forward to working with Rural Development staff when the project moves forward, said Supervisor Weitmann. Town consultants Russell Budd and Bipin Gandhi, P.E. played key rolls in completing the grant application and we are very pleased with their efforts, said the Supervisor. The town and its consultants are working on additional funding opportunities for the project, in part, through a co-funding program coordinated by the NYS Environmental Facilities Corporation. Construction of the project is expected to start in 2015.

Edward Weitmann, Supervisor
