

The public is invited to an informational meeting on Monday, November 14th at 7:00pm at the Town Hall to learn about a future trail project in Livingston Manor and the steps taken to date.

The Town of Rockland recently acquired 14 acres of wooded property on Round Top, the hill behind the Presbyterian Church. This property is cross-crossed by old woods roads, making it an ideal location for hiking trails accessible from downtown Livingston Manor.

The Town engaged the support of the NY/NJ Trail Conference to assist us in laying out a short loop trail and assess the possibility of future trails.

Helen Budrock of Sullivan Renaissance will be present at the meeting to assist in our effort. We look forward to community feedback on potential no-cost or grant-funded project ideas for this healthy community initiative for Livingston Manor.
