Boil Water Order Rescind Notice

Dear Supervisor Eggleton,

Laboratory results of total coliform analysis from water samples collected within the Roscoe-Rockland water district on July 8, 2021 and July 9, 2021 indicated the water supply to be of a satisfactory bacteriological quality at the time of sampling. The Boil Water Order issued by this department on July 8, 2021 is hereby rescinded and normal use of this supply may resume.

Public notification must be made in a manner reasonably calculated to reach all persons served by the water supply within 24 hours. One or more of the following forms of delivery are acceptable:

- 1) local broadcast media such as radio or television
- 2) hand delivery of notice to persons served by the water system
- 3) posting the notice in conspicuous locations throughout the area served by the water system

If you have any questions regarding this matter, please contact this office at (845) 794-2045.

Sincerely,

Chris J. Coddington
District Director
