### **DEPARTMENT HEADS**

**Chris Bury - Water & Sewer Superintendent** - We've been replacing some meters and the water tank in Roscoe overflowed

**Roger Decker - Highway Superintendent** - We had a tree issue on Sotter lane and still problems with the beavers. The curbs are priced at \$15.75 a ft. Orchard street parking seems to be a problem so the plan is to order a sign to put in the cemetery to avoid people parking there with a possible fine if caught parked on that property.
