Water Restrictions in effect 8/29/22

Please start conserving water for future use due to the extreme weather conditions.

- Watering gardens and lawns; once a week between the hours of 6:30pm to 9pm.
- No car washing, driveways, or houses.
- No bulk water supply from any source may be exported outside of town.
- Washing machines and dish washers should be run when there is a full load.
- No filling of pools.
- No flushing water lines/hydrant flushing.
- Any water leaks on the private side need to be fixed.

Sincerely,

Christopher Bury
Water and Sewer Superintendent
